

THE NATIONAL TRIBUNE PREMIUM LIST.

Given for Clubs and Single
Subscribers.

AN UNEQUALLED ARRAY OF OPPORTUNITIES.

HERE is a series of articles of the highest merit, which we will give all our friends the opportunity of obtaining in the easiest possible way. Our object in offering these splendid premiums is to reward our club raisers.

We have been at great trouble and expense in making up this list of premiums. We have had two prime considerations in view as to the character of the articles: First, we have accepted nothing but the very best things; and, second, we have insisted upon arrangements direct with the manufacturers at the very lowest rates, so as to be able to give our subscribers the advantage of the lowest possible offers.

We have accepted no cheap-grade jewelry. There is no so-called aluminum gold, fire gilt, or other, which is simply polished brass, but everything in the list is of a class we can warrant exactly as represented.

We have also demanded and secured from the manufacturers only the latest and most fashionable styles.

We expect that every subscriber will find something he or she will want, and will send us the club required and get it.

We mean, of course, in each case where we say clubs or subscribers, subscribers to THE NATIONAL TRIBUNE for one year, and the full price of the paper, viz., \$1 a year for each subscriber, must accompany the name sent.

Write all addresses very plainly, giving full name, Postoffice, County and State. Much trouble is saved by never omitting the County, because there are so many post-offices of the same name. If the County is omitted, it is sometimes difficult to tell whether Nevada or Nebraska, Mississippi or Minnesota is meant, for example.

In ordering, be particular to give the number of the article as well as the name. The best way to send money is by Postoffice Money Order, in which case it may be sent at our risk.

If your local Postoffice is not a money-order office, the best way is to register your letter. Money may also be safely sent by Express Money Order or Bank Drafts. Do not send local bank checks. Remember also that postal notes are no safer than money or stamps enclosed in an envelope, being cashed by anyone into whose hands they may fall. Postage stamps are a drag, and, while taken, are very inconvenient, because we have more now than we can use, and the Government does not redeem them.

No goods will be sent C. O. D.

CAMPAIGN CLUBS!

Supplied with Fives and Drums

AT
THE LOWEST PRICES EVER KNOWN!

THE NATIONAL TRIBUNE recognizes the fact that the campaign upon which we have just entered will be the most exciting ever known. The greatest feature of any campaign club or community at such a time is a well-organized Fife and Drum Corps. A small number of bright boys or young men instructed by the best drummer in the town can in a few lessons become expert, and they can arouse the greatest enthusiasm for their favorite candidate. Drums and fifes have heretofore been very high—out of the people's reach in fact. THE NATIONAL TRIBUNE cuts the price and gives the people the advantage of its great discounts.

Drum No. 1.

This is a handsome 16-inch snare drum just like the cut. It is either rosewood or selected oak. A pair of good sticks goes with each drum. It has two calfskin heads, high quality books, extra strong cord, and long shank snare strainer. This drum is good for many campaigns, and in most cases will form a nucleus for a village band, for musical taste is readily developed. The regular price of this drum is \$9.75. We will sell it to any subscriber for \$6.32, or we will send it as a premium for a club of 10 subscribers and \$3 added money.

Drum No. 2.

This is a deep-toned, magnificent 24-inch bass drum. It is made of mahogany and has a calfskin head. A fine stick goes with it, and in finish it is really a superb instrument. The regular price is \$15.50. We will sell it for \$9.70, or we will send it as a premium for a club of 10 subscribers and \$6 added money.

Fife No. 1.

This is an elegant instrument. It is made of rosewood with brass ferrules. Any boy can learn to play in a short time, and as a memento of an important campaign, with the exciting events, it cannot be excelled. The retail price is about \$1, but we will send it to any subscriber and guarantee safe delivery for 50 cents, or we will send it for a club of two subscribers and 25 cents added money.

The purchaser must pay express charges on the drums. We pay charges on the fife.

THE G.A.R. WATCH

A Handsome Timepiece

FOR
National Tribune Subscribers.

The Latest Product of the Elgin and Waltham Factories.

No. 302.

The above cut conveys a good idea of one of the great G.A.R. Watches made expressly for our subscribers. So many have called for them that we have at last decided to sell these elegant watches at so low a price that all veterans may enjoy the possession of handsome, durable and accurate Waltham and Elgin Watches. The G.A.R. Watch is either a Waltham or an Elgin, as the purchaser may choose. The works are made from the finest selected material. Each contains eleven valuable jewels, tempered steel spring, compensating expansion balance, patent safety pinion, stem-winding and pendant-setting apparatus, full plate, a dust-band that excludes every particle of dust, quick train, jeweled balance, selected porcelain dial, and all the latest and greatest improvements. The case is made of nickel silver, a composition just as handsome and durable as coin silver. The watch is dust-proof, and need never be opened, because the Watch winds by turning the crown (or stem), and sets by pulling it out till it clicks, then pressing it back into place after setting, a wonderful feature that makes this Watch unique. On the back of this case the "G.A.R." badge, the emblem of glorious service, patient suffering and triumphant victory, is engraved by hand. As the fortunate purchaser sees this beautiful reward of patriotism a thought will come to his mind of the boys in blue who never saw a "G.A.R." badge, but who gave up their lives in battle. This Watch is well worth double what we ask for it, but we have placed the price so low that all may get it. We will send it for a club of 10 subscribers and \$5 added money.

For sale, delivery guaranteed, for \$9.25

A PERUVIAN BLOW-GUN.

A New Invention of a Positively Safe Air-Gun for Target Practice.

We have a novelty to offer our subscribers in the shape of a new and absolutely harmless Air-Gun. It is made by the adaptation of the practice among the people of South America of hunting birds and small animals by the use of a Blow-Gun, made of a long reed, through which an arrow is propelled by the breath of the hunter.

It is the invention of an American physician for the purpose of combining sport with healthful exercise. His object being to develop the lungs and muscles of the chest in young persons without irksome or painful effort. This Blow-Gun looks like an ordinary rifle of 22 caliber, through which a small dart is propelled at the target by a sudden puff of air from the lungs. As no spring or powder is used in it, the occurrence of painful accidents in the use of this Gun is impossible.

We send with the Gun a Spring Target, so constructed that when a bull's-eye is made by the marksmen the image of a dancing dandy suddenly dies up behind the Target. We also send with the outfit a Box of Darts for use in the Gun. We send the Gun, Target, and Darts by Express to any subscriber, charges prepaid, for only \$1.00, or we will send it as a Premium for a Club of only Three Subscribers and 30 (thirty) cents to cover the cost of packing.

Blow-Gun Clubs are to be the rage this Spring for out-door sport among young people. The members of THE NATIONAL TRIBUNE C. C. Club and their friends will not, we anticipate, be behind the times.
